PRODUCT DESCRIPTION

Contemporary freestanding bathroom bin featuring a compact cylindrical profile and a polished chrome finish. Designed with a discreet swing-top lid, it allows quick and convenient waste disposal while keeping the contents neatly concealed. Its smooth rounded body and compact footprint make it suitable for bathrooms, guest washrooms, hotel rooms and other modern sanitary spaces. The smooth exterior surface is easy to wipe clean, while the stable freestanding construction allows flexible positioning without permanent installation.

DIMENSIONAL DRAWING
MM

All dimensions are shown in millimetres unless otherwise stated. Site conditions, cut-out, trap system and mixer clearance should be verified before installation.
