PRODUCT SPECS

01

- Compact cylindrical bathroom waste bin
- Freestanding installation
- Durable stainless-steel construction
- Brushed metallic finish
- Practical swing-top lid
- Convenient waste disposal without removing the lid
- Lid helps keep waste discreetly concealed
- Stable circular base

PRODUCT DESCRIPTION

Compact freestanding bathroom bin featuring a clean cylindrical body and a refined brushed stainless-steel finish. The integrated swing-top lid allows waste to be deposited conveniently while automatically returning to its closed position. This helps conceal the contents and maintain a neat appearance in bathrooms and washrooms. Its compact dimensions make it suitable for placement beside washbasins, vanity units, toilets, desks or within limited floor spaces. The neutral metallic finish complements both contemporary and classic interiors.

DIMENSIONAL DRAWING
MM

All dimensions are shown in millimetres unless otherwise stated. Site conditions, cut-out, trap system and mixer clearance should be verified before installation.
