#### PRODUCT SPECS

01

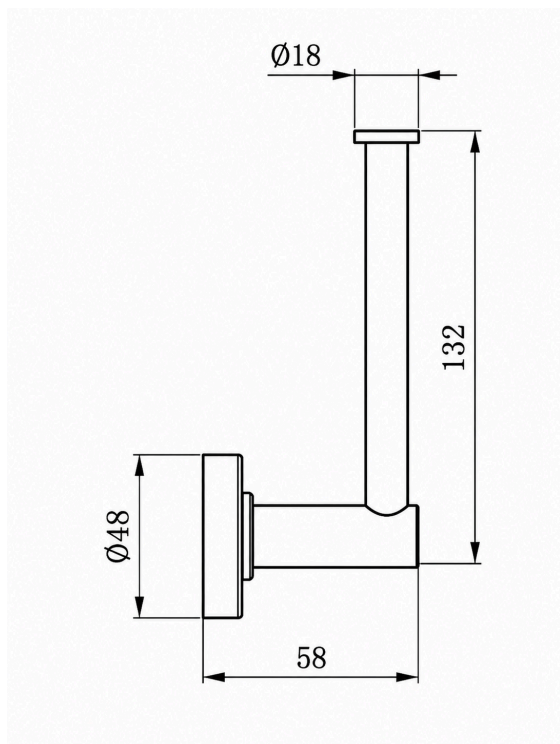

- Minimal cylindrical design with clean contemporary lines
- Wall-mounted installation
- Durable stainless-steel construction
- Brushed metallic finish
- Round wall mounting plate
- Vertical spare toilet roll support
- Compact projection for space-efficient installation
- Concealed fixing system

#### PRODUCT DESCRIPTION

Modern wall-mounted spare toilet roll holder featuring a clean cylindrical form and a premium brushed stainless-steel finish. Designed for contemporary bathrooms, it provides a practical and space-efficient solution for storing an additional toilet roll while maintaining a refined and minimalist appearance. Its durable metal construction ensures long-term performance, while the concealed wall-fixing system creates a neat and professional installation.

DIMENSIONAL DRAWING

MM

All dimensions are shown in millimetres unless otherwise stated. Site conditions, cut-out, trap system and mixer clearance should be verified before installation.
