PRODUCT DESCRIPTION

The Shower Hose is a reinforced flexible connection designed for shower installations, combining a flexible hose with practical conical connection nuts. Its construction allows comfortable handling during use, while the fixed and swivel connections provide practical compatibility with standard shower fittings. The hose has a silver finish with chrome-finished connections for a coordinated appearance.

DIMENSIONAL DRAWING

MM

All dimensions are shown in millimetres unless otherwise stated. Site conditions, cut-out, trap system and mixer clearance should be verified before installation.
