PRODUCT DESCRIPTION

The Bath-Shower Mixer with Shelf combines a contemporary wall-mounted design with practical functionality for the bath and shower area. Made from brass and finished in chrome, it features an integrated shelf that provides a convenient storage surface while maintaining a clean and streamlined appearance. The set includes a bath spout, hand shower and flexible hose, with button operation for easy use. Its balanced design makes it suitable for modern bathroom environments where functionality and aesthetics are combined.

DIMENSIONAL DRAWING

MM

All dimensions are shown in millimetres unless otherwise stated. Site conditions, cut-out, trap system and mixer clearance should be verified before installation.
