PRODUCT DESCRIPTION

A contemporary wall-mounted basin mixer built around a long cylindrical spout and a compact single-lever control. The elongated tubular form creates a clean horizontal line from the wall, while the rounded control body and slim vertical lever introduce a precise mechanical detail. A broad rounded-rectangle wall plate visually unifies the assembly and gives the product a strong architectural presence. The polished Chrome finish accentuates the smooth cylindrical surfaces and crisp transitions, making the mixer particularly suited to modern, minimalist and refined bathroom interiors.

DIMENSIONAL DRAWING
MM

All dimensions are shown in millimetres unless otherwise stated. Site conditions, cut-out, trap system and mixer clearance should be verified before installation.

TECHNICAL DATA
03

Overall projection	246 mm
Spout projection	200 mm
Spout diameter	Ø28 mm
Mounting plate height	75 mm
Installation	Wall-mounted
Control	Single-lever
Product type	Wall-mounted basin mixer
Finish	Chrome
Spout length	200 mm
Spout axis length	181 mm
Mounting plate width	200 mm
Mounting plate height	75 mm
Mounting centre distance	108 mm
Control diameter	Ø45.5 mm
Spout diameter	Ø28 mm
Control lever height	101 mm
Wall plate thickness	3 mm
Spout/control offset	65 mm
Control projection	60 mm
Outlet connection	G1/2"
Mounting type	Concealed wall installation
