PRODUCT DESCRIPTION

A sleek contemporary basin mixer defined by a low, elongated spout and a clean cylindrical body. The gently tapered lever extends horizontally from the top of the fitting, creating a streamlined silhouette with a strong architectural character. Its polished chrome appearance emphasizes the smooth transitions between the cylindrical body, slim spout and integrated lever, resulting in a minimal and refined fitting suited to modern bathroom interiors.

DIMENSIONAL DRAWING
MM

All dimensions are shown in millimetres unless otherwise stated. Site conditions, cut-out, trap system and mixer clearance should be verified before installation.
