PRODUCT DESCRIPTION

A tall single-lever basin mixer defined by a clean architectural silhouette and precise geometric lines. The elongated rectangular spout creates a strong horizontal profile, balanced by a cylindrical control body and a crisp square base. Finished in Brushed Gold, the design brings a warm metallic character to contemporary bathroom interiors while retaining a restrained, refined appearance. Its elevated proportions make it particularly suited to countertop and vessel-basin installations.

DIMENSIONAL DRAWING

MM

All dimensions are shown in millimetres unless otherwise stated. Site conditions, cut-out, trap system and mixer clearance should be verified before installation.

TECHNICAL DATA

03

Overall height	310 mm
