PRODUCT DESCRIPTION

A contemporary basin mixer featuring a clean, architectural design with strong rectangular lines and softly rounded edges. Its wide, flat spout and matching single lever create a balanced and cohesive silhouette. The 5° angled outlet provides a subtle downward direction for the water flow. Finished in polished chrome, its reflective surface enhances the crisp geometry of the design. With its minimalist proportions, this mixer is well suited to modern and contemporary bathroom interiors.

DIMENSIONAL DRAWING

MM

All dimensions are shown in millimetres unless otherwise stated. Site conditions, cut-out, trap system and mixer clearance should be verified before installation.
