PRODUCT DESCRIPTION

A refined contemporary bidet mixer defined by a clean cylindrical silhouette and balanced proportions. Its tall vertical body is paired with a slim horizontal lever and a compact cylindrical spout, creating a precise and understated architectural profile. The polished chrome finish highlights the smooth curves and reflective surfaces, giving the fitting a refined metallic character. Its restrained geometry and compact composition make it well suited to modern bathroom interiors where simplicity and coordinated design are central to the overall aesthetic.

DIMENSIONAL DRAWING

MM

All dimensions are shown in millimetres unless otherwise stated. Site conditions, cut-out, trap system and mixer clearance should be verified before installation.

TECHNICAL DATA

03

Overall height	165 mm
