PRODUCT DESCRIPTION

A refined three-hole widespread basin mixer with a distinctive architectural silhouette. The high-arc spout forms a broad, elegant curve above the basin, while the two independent lever handles create a balanced three-piece composition. Smooth polished chrome surfaces are contrasted by textured cylindrical grip sections, adding visual depth and a subtle tactile detail. The combination of geometric lever forms, generous curved spout and precise cylindrical bases gives the fitting a sophisticated contemporary character suited to modern and upscale bathroom interiors.

DIMENSIONAL DRAWING

MM

All dimensions are shown in millimetres unless otherwise stated. Site conditions, cut-out, trap system and mixer clearance should be verified before installation.

TECHNICAL DATA

03

Overall height	230 mm
Spout reach	145 mm
Handle height	88 mm
Spout outlet height	125 mm
Installation	Three-hole widespread
Finish	Chrome
Product type	Three-hole widespread basin mixer
Control	Two separate lever handles
Spout	High-arc fixed spout
Mixer configuration	Three-hole widespread
Control arrangement	Two separate lever handles
Spout configuration	High-arc fixed spout
Spout geometry	Rounded rectangular / tubular arc
Aerator configuration	Integrated at spout outlet
Deck hole arrangement	3 x Ø55 mm
Handle connection thread	2 x M28 x 1.5
Water inlet connections	2 x G1/2
Central connection diameter	Ø30 mm
Handle spacing	102 mm from centre line to each handle
Handle grip	Textured cylindrical section
Surface appearance	Polished reflective chrome
