PRODUCT DESCRIPTION

A refined three-hole widespread basin mixer with a distinctive architectural presence. The tall gooseneck spout creates an elegant continuous curve, while the two independent lever handles introduce a balanced three-piece composition. The polished chrome finish emphasizes the smooth tubular geometry and reflective surfaces, while the sculpted bases and angular lever profiles add a subtle contemporary character. The result is a precise, decorative fitting designed to become a strong visual element within modern and sophisticated bathroom interiors.

DIMENSIONAL DRAWING

MM

All dimensions are shown in millimetres unless otherwise stated. Site conditions, cut-out, trap system and mixer clearance should be verified before installation.

TECHNICAL DATA

03

Overall height	288 mm
Spout reach	195 mm
Spout height	160 mm
Handle height	88 mm
Installation	Three-hole widespread
Finish	Chrome
Mixer configuration	Three-hole widespread
Control arrangement	Two separate lever handles
Spout configuration	High gooseneck fixed spout
Spout tube diameter	Ø19 mm
Spout outlet	Open downward outlet
Handle design	Angular horizontal lever
Handle projection	83.5 mm
Component spacing	102 mm each side from spout centre line
Mounting base diameter	3 x Ø60 mm
