PRODUCT DESCRIPTION

A refined three-hole widespread basin mixer with a graceful high-arc spout and distinctive cross handles. The tall curved spout creates an elegant focal point above the basin, while the separate cylindrical controls establish a balanced three-piece composition. Polished chrome surfaces emphasize the smooth tubular geometry and clean circular bases, giving the fitting a precise and sophisticated appearance. The combination of traditional cross-handle detailing and contemporary proportions makes it well suited to refined bathroom interiors.

DIMENSIONAL DRAWING

MM

All dimensions are shown in millimetres unless otherwise stated. Site conditions, cut-out, trap system and mixer clearance should be verified before installation.

TECHNICAL DATA

03

Overall height	270 mm
Spout reach	152 mm
