PRODUCT DESCRIPTION

A contemporary three-hole widespread basin mixer defined by a strong geometric silhouette and crisp rectangular detailing. The squared spout forms a clean architectural profile, while the two separate controls feature textured rectangular surfaces that introduce a distinctive tactile element. The polished chrome finish enhances the sharp edges and broad reflective surfaces, creating a precise and sophisticated appearance. Its balanced three-piece composition is designed for modern bathroom interiors with a strong architectural aesthetic.

DIMENSIONAL DRAWING
MM

All dimensions are shown in millimetres unless otherwise stated. Site conditions, cut-out, trap system and mixer clearance should be verified before installation.
