PRODUCT DESCRIPTION

A refined wall-mounted basin mixer with a sculptural tubular spout and a cylindrical single-lever control. The gently curved outlet creates a fluid transition from the straight horizontal body, while the circular wall plates reinforce the product's architectural character. Its polished Chrome finish emphasizes the smooth reflective surfaces and precise cylindrical detailing. The balanced combination of rounded forms and clean lines gives the mixer a restrained contemporary presence suited to modern and minimalist bathroom interiors.

DIMENSIONAL DRAWING

MM

All dimensions are shown in millimetres unless otherwise stated. Site conditions, cut-out, trap system and mixer clearance should be verified before installation.

TECHNICAL DATA

03

Overall projection	247.5 mm
Spout projection	179.5 mm
Spout diameter	Ø45 mm
Wall plate diameter	Ø72 mm
Installation	Wall-mounted
Control	Single-lever
Product type	Wall-mounted basin mixer
Finish	Chrome
Connection	2 × G1/2"
Spout outlet diameter	Ø21 mm
Wall plate diameter	Ø50 mm
Control plate diameter	Ø72 mm
Control assembly diameter	Ø45 mm
Spout centre height	101.4 mm
Spout connection length	60 mm
Wall clearance	6 mm
Spout form	Tubular with curved outlet
Outlet orientation	Angled downward
Control style	Vertical lever
Mounting type	Concealed wall installation
