

PRODUCT OVERVIEW

MWW-0605

Wall-Mounted Basin Mixer · Mixers

MOUNTING PLATE WIDTH
200 mm

SPOUT PROJECTION
180.5 mm

MOUNTING PLATE HEIGHT
75 mm

SPOUT WIDTH
32.9 mm

INSTALLATION
Wall-mounted

CONTROL
Single-lever

PRODUCT SPECS

01

- Wall-mounted basin design
- Single-lever operation
- Sculptural tapered spout
- Rounded rectangular wall plate
- Integrated cylindrical control assembly
- Smooth flowing transitions
- Polished chrome finish
- Concealed installation

PRODUCT DESCRIPTION

A contemporary wall-mounted basin mixer defined by a fluid, sculptural silhouette. The elongated spout tapers gently toward the outlet and flows into a softly contoured wall-mounted body, while the substantial single lever adds a strong vertical accent. The rounded rectangular backplate visually unifies the assembly and gives the mixer a broad architectural presence. Its polished Chrome finish emphasizes the smooth curves, reflective surfaces and carefully blended transitions. The overall design balances functional geometry with a refined, modern character suited to contemporary bathroom interiors.

DIMENSIONAL DRAWING

MM

All dimensions are shown in millimetres unless otherwise stated. Site conditions, cut-out, trap system and mixer clearance should be verified before installation.

TECHNICAL DATA

03

Mounting plate width	200 mm
Spout projection	180.5 mm
Mounting plate height	75 mm
Spout width	32.9 mm
Installation	Wall-mounted
Control	Single-lever
Product type	Wall-mounted basin mixer
Finish	Chrome
Spout projection	180.5 mm
Mounting plate width	200 mm
Mounting plate height	75 mm
Handle width	32.9 mm
Handle projection	81.8 mm
Hot/cold connection spacing	108.4 mm
Overall assembly depth	255.9 mm
