PRODUCT DESCRIPTION

Concealed single-lever shower mixer with a broad rectangular wall plate, an integrated upper diverter control and a refined geometric handle. The concealed configuration keeps the technical components within the wall while presenting a clean architectural surface. Its balanced rectangular form and smooth lever are suited to contemporary and luxury bathroom interiors.

DIMENSIONAL DRAWING
MM

All dimensions are shown in millimetres unless otherwise stated. Site conditions, cut-out, trap system and mixer clearance should be verified before installation.
