PRODUCT DESCRIPTION

The Concealed Shower Mixer features a compact round control plate with separate controls arranged in a clean vertical configuration. Designed for concealed wall installation, it combines a streamlined appearance with a practical two-control layout. The circular plate and cylindrical controls create a balanced contemporary look suited to modern shower installations.

DIMENSIONAL DRAWING

MM

All dimensions are shown in millimetres unless otherwise stated. Site conditions, cut-out, trap system and mixer clearance should be verified before installation.
