PRODUCT DESCRIPTION

The Wall Mounted Washbasin features a softly curved basin profile combined with a practical wall-mounted design. Its integrated tap platform and overflow opening provide a functional arrangement, while the white ceramic finish creates a clean and versatile appearance. The accompanying semi-pedestal helps conceal the lower plumbing area and contributes to a neat, coordinated installation.

DIMENSIONAL DRAWING
MM

All dimensions are shown in millimetres unless otherwise stated. Site conditions, cut-out, trap system and mixer clearance should be verified before installation.
